**City offers no-fee outdoor TUP to restaurants,  
hair salons and barbershops**

Restaurants, hair salons, barbershops and personal care establishments in Cerritos who would like to add an outdoor service area can apply for a Temporary Use Permit (TUP) from the City of Cerritos. During the COVID-19 local emergency, there will be no fee charged for the permit. City staff will evaluate the application to ensure that outdoor services can be provided in a safe environment.

TUP applications are available on the City's website at [cerritos.us/BUSINESSES/planning\\_and\\_building\\_permits.php#planning](http://cerritos.us/BUSINESSES/planning_and_building_permits.php#planning). The application requires property owner and/or property management approval and will be processed by City staff within 48 hours. Applicants also must submit a site plan indicating the proposed location of the outdoor service area, measures to protect the safety of patrons and verification that the configuration of tables and chairs does not impede pedestrian access and meets minimum clearances of 4 feet pursuant to ADA accessibility law.

Effective July 1 and until further notice, the L.A. County Department of Public Health has required the closure of restaurants for indoor dining. Outdoor dining, delivery and
