

A tobacco retailer's license from the City of Cerritos is required before retailing or selling any tobacco, tobacco products, or associated paraphernalia, and is contingent upon the observance of all federal, state, and local tobacco laws. Selling tobacco without a license is a serious offense, and may result in substantial penalties including fines and the denial of future City of Cerritos tobacco retailer's licenses. Licenses are issued to fixed addresses only, and each address requires a separate license.

Effective July 1, 2020, Chapter 5.35 and Section 22.40.320 of the Cerritos Municipal Code strictly prohibits the sale of electronic cigarettes and electronic cigarette paraphernalia, inclusive of vape products, within the City of Cerritos. As such, tobacco retailer's licenses will not be issued for the sale of electronic cigarettes and/or associated paraphernalia.
