RACER ACCOUNTS NOW REQUIRED FOR REGISTRATION

Registration for Cerritos Library programs and classes is now offered through a new online registration system, RACER Powered by CivicRec. To use RACER (Register for Activities, Classes and Excursions Rapidly), patrons need to register for RACER accounts for themselves and their family members. An e-mail address is required to open an account. Patrons can register at the Cerritos Library or City Hall Recreation Services counter.

RACER provides excellent processing speed and capacity, so patrons will not experience a delay in the online registration process. RACER can be accessed through cell phones, tablets and computers. The course catalog is easy to search and can be filtered by the program type, location, age group or day of the week. Once registration for activities is completed, the information can be shared with the patron’s Google Calendar or Microsoft Outlook account. The registration receipt is also enhanced with line item descriptions for each charge.

Patrons can start the RACER account registration process online by entering names, addresses, birth dates and special medical and emergency contact information on the web page that is linked from the City’s website at cerritos.us. To complete the registration process, patrons must visit the Cerritos Library or City Hall so City staff can verify information and activate the accounts. For patrons who start the registration process online, RACER offers a social media sign-on feature, giving users the option to log in with their Facebook or Google username and password. Facebook and Google policies will apply.

Patrons must present documentation to establish their

city of residence. The residency documentation helps ensure Cerritos residents receive priority registration. Adults must provide the following documents:

- A valid California Driver’s License, California ID or government-issued ID with current address
- One of the following items postmarked within the last 60 days:
 - Utility bill
 - Rent receipt, tax bill or escrow papers
 - Social Security statement
 - Credit card or bank statement
 - Car registration

Items presented for residency verification must show your name and have the same street address. The system cannot accept a P.O. Box as the residence or mailing address.

To register a child age 17 or younger, his or her parent’s information from the above section is required. In addition, one of the following documents is required to verify the child’s age: birth certificate, passport, baptism certificate, current year tax form, insurance paperwork, school emergency card with birthdate or school ID with birthdate. Bring all documents to City Hall, Cerritos Library, Cerritos Senior Center or Heritage Park to complete the account activation process.

For more information about RACER, call the Recreation Services Division at (562) 916-1254.

NEW eBook AND eAUDIOBOOK SERVICE AVAILABLE

Cerritos Library now offers popular eBooks and eAudiobooks for checkout through the cloudLibrary digital book service. The collection includes bestselling fiction and non-fiction titles and is expanded weekly.

The free cloudLibrary service is offered to Cerritos Library cardholders and can be accessed as follows:

1. Download the cloudLibrary app. The app is available in the Apple App Store, Google Play Store and Kindle Fire App Store. Alternatively, you can also install the Windows, Chromebook or Apple desktop applications.
2. Open the app, select United States of America, California, Cerritos Library and then enter your library card number and library card PIN.
3. Browse, borrow and start reading!

The cloudLibrary is an easy-to-use interface and makes it simple to download eBooks and eAudiobooks, save reads for later and sync activity across multiple devices. Patrons can check out up to five titles at one time and keep them for up to three weeks. After the loan period concludes, cloudLibrary simply returns your eBook back to the library for you.

The browsing and selection process is simple and can be done with a few clicks. You can select a featured title or browse the collection by category. Once you select a title, it’s immediately accessible on your personal bookshelf. Download titles to take them with you and enjoy anywhere, or quickly stream titles over an internet connection.

The cloudLibrary automatically syncs to all your devices that have the cloudLibrary app downloaded to them. The service allows patrons to place eBooks and

eAudiobooks on hold if a title is already checked out. **To receive an email notification when your holds become available, you must go to Settings in the cloudLibrary’s main menu and turn email notifications on.**

The cloudLibrary app is compatible with the following devices: iPad, iPhone, iPod Touch, Android phones, Android tablets, NOOK Tablets, NOOK eReaders, Kobo eReaders and Kindle Fires. The Cerritos Library offers tablets and an e-reader for cardholders who would like to borrow a device.

The cloudLibrary replaced the OverDrive digital book service. The cloudLibrary is available to the Cerritos Library at a lower cost, which will help allow the library’s digital book collection to continue to grow. Cerritos Library also offers cardholders access to the hoopla digital media streaming service.

For more information or technical assistance, please visit the Cerritos Library or the library’s website at cerritoslibrary.us.

Library Displays

EXPLORATION IN FIBER

Beyond the Edge Fiber Artists are pleased to present the organization’s latest exhibit entitled “Exploration in Fiber.” This exhibition presents a variety of fiber art and shows a diversity of approaches to this exciting and evolving art form. The artwork was created by Madeleine Bajracharya, Laura Bisagna, Mia Bloom, Cynthia Catlin, Linda Friedman, Teresa Shippy and Eileen Wintemute. This exhibit will be on display through the last week of August.

JEAN OH POTTERY DISPLAY

Handmade pottery by artist Jean Oh will be on display in the main lobby of the library throughout July and August. Oh, an engineer by trade, found art to be her passion. Oh believes that handmade pottery is naturally rich in ideas and metaphors. It makes a house a home and enriches lives. It fills our living spaces with character, elegance and joy. Oh’s vision as a ceramic artist is to make pottery that has meaning and weaves into our daily lives. She fires her pieces at a blistering 2,350 degrees Fahrenheit to create a deep signature glaze that cannot be achieved with pottery fired at lower temperatures. This stoneware style of ceramic pottery is a reflection and celebration of who she is as an artist.
