

TREE REMOVAL APPLICATION

Application fee due upon submittal:

- 1-5 trees: \$115
- 6-10 trees: \$230
- 11 + trees: \$560

City of Cerritos approval is required prior to the removal of any tree located on a commercial, industrial, or multifamily residential property or a common area governed by a homeowners association (HOA). Trees on these properties are governed by Sections 9.75.130 and 9.75.135 of the Cerritos Municipal Code, which is available on the City of Cerritos website at www.cerritos.us under GOVERNMENT » City Regulations » Cerritos Municipal Code » Title 9 » Chapter 9.75. Implementation standards for tree removal and replacement are set forth in this application.

For the removal of a parkway tree located adjacent to a street, please see Section 6.0 below for additional information.

2.0 TREE REMOVAL STANDARDS

The following standards shall apply for all tree removals:

- 2.1 Eligibility – City of Cerritos approval for removal of a tree may be granted only if the tree:
 - Is dead,
 - Is dying,
 - Is diseased,
 - Poses a potential public safety hazard, and/or
 - Has the potential to damage public and/or private property.
- 2.2 Prior Written Review/Approval – No tree shall be removed without prior written approval by the City of Cerritos Department of Community Development. With the submittal of this application, City staff will conduct an inspection and, upon determining whether the tree meets the eligibility criteria outlined above, will provide written approval or denial of removal.
- 2.3 One-for-One Replacement – Each removed tree must be replaced with at least one new tree on the same property, the species and size of which must be approved by the City of Cerritos.
- 2.4 Overall Quantity – No more than five (5) trees or five percent (5%) of the total tree count within the subject property, whichever is greater, shall be approved for removal within any given calendar year. The purpose of this is to prevent sudden visual changes in the landscape. Exceptions to this limit may be approved under a Master Tree Removal/Replacement Plan, prepared by a California-licensed landscape architect, which is subject to Planning Commission and City Council review and approval.
