

**City of Cerritos
Waste Management Plan
Part 1**

Materials from your job site can be recycled. The City of Cerritos Municipal Code requires you to recycle or reuse a minimum of 50% of your project's waste. The City has an exclusive franchise agreement with CalMet Services for construction and demolition (C&D) waste removal services. By using CalMet Services, you will have met your 50% waste diversion requirement. If you self-haul materials from the jobsite, and your project is 900 square feet or greater in size, you will be required to demonstrate that you have diverted 50% of your project's waste from landfill disposal.

Step 1: Before your Project Begins: Complete this form.

- If your project is less than 900 square feet in area, check this box. You are exempt from further compliance with the City of Cerritos' Construction & Demolition Debris Diversion Ordinance.
- If you will be contracting with CalMet Services for your project's waste hauling services, check this box. You are exempt from further compliance with the City of Cerritos' C&D Debris Diversion Ordinance.
- If your C&D waste will be hauled by anyone other than CalMet Services, and your project is 900 square feet or more in area, check this box. You are required to submit a Performance Security Deposit in the amount of \$.50 per square foot of project size along with this form and divert 50% of project waste from landfill disposal. Please proceed to Steps 2, 3 & 4.

Step 2: While your Project Progresses: *(self-haul projects of 900 square feet or greater only)*

Save all weight receipts and/or documentation from disposal sites including recycling centers, landfills and jobsite reuse.

Step 3: Before final inspection: *(self-haul projects of 900 square feet or greater only)*

Complete Part 2 of this form and submit receipts/documentation (original or certified photocopies) verifying that a minimum of 50% of the debris or material generated was diverted from landfill disposal.

Step 4: Deposit Returned: *(self-haul projects of 900 square feet or greater only)*

Within 30 days of submittal of final documentation, your performance security deposit will be returned. If it is determined that a minimum of 50% of C&D materials were not recycled, a prorated portion of your deposit will be returned.

Job Address: _____ Permit No. _____

Job Description: _____ Square Footage: _____ sq. ft.

Project Type: New Construction Demolition Renovation Other

**City of Cerritos
Waste Management Plan
Part 2**

Job Address: _____

Permit No. _____

For projects 900 square feet or greater in size in which materials were self-hauled from the jobsite, this report must be completed and submitted prior to your final inspection. Failure to submit Part 2 of the Waste Management Plan, or failure to comply with the City's 50% diversion requirement will result in the full or partial loss of your Performance Security Deposit.

You must attach copies of weight receipts, recycling dealer reports, and/or jobsite reuse documentation along with this form.
