

## **Strategic Financial Planning Session to be held January 28**

A Strategic Financial Planning Session will be held on Saturday, January 28 from 10 a.m. to 2 p.m. in the Sierra Room at the Cerritos Center for the Performing Arts. The working meeting of the City Council and City staff will include general background information relative to existing environmental and current economic conditions to be considered by the City Council when establishing budget priorities and/or goals for the City's upcoming Fiscal Year 2023-2024 budget.

The policy direction obtained from the City Council during this meeting will also serve as the basis for the eventual development of a Strategic Financial Plan to be used in guiding the preparation of the City budget. Moving forward, the City's Strategic Financial Plan will be reviewed and updated by the City Council on an annual basis as part of the City's budget preparation process.

The public is invited to attend to provide input regarding community funding needs and priorities for the upcoming fiscal year. Feedback from the meeting will be used to help develop the budget.
