Message from Cerritos Mayor Chuong Vo Regarding Incident in Uvalde, Texas May 24, 2022

I am deeply saddened and heartbroken about the active shooter incident that occurred today at Robb Elementary School in Uvalde, Texas. On behalf of the City of Cerritos and my Council colleagues, our thoughts and prayers go out to all those affected by this horrific and senseless tragedy.

Our children are the most valuable assets we have. Like many of you, I have children who attend our local schools, and we all know how important it is to feel that our children are safe and secure wherever they may be, but especially in our schools. Today's incident is a hard reminder to tell and show your children that you love them, as there are regrettably too many families out there tonight who are no longer able to do so.

In response to this unspeakable crime, Cerritos Sheriff's Station deputies will be conducting enhanced patrols around all ABC Unified School District campuses in the City through the end of the school year. If conditions warrant, Cerritos Sheriff's Station Captain Minh Dinh has authorized additional patrols on overtime. There are no known threats involving Cerritos schools at this time.

Please keep the families and community of Uvalde in your hearts as they navigate through this difficult time.
