

Scam Alert

Beware of people calling or visiting your home about “government programs.”

City of Cerritos staff will ***not*** ask to enter your property for an inspection. Staff will only schedule property inspections with you if your home has a construction project under way.

If you do not wish to open the door to a solicitor, speak through the door to state “Now is not a good time,” so it is clear that someone is home.

To report suspicious activity in your neighborhood, call the Cerritos Sheriff’s Station at **(562) 860-0044**.
