

RESOLUTION NO. 2019-21

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CERRITOS, CALIFORNIA ORDERING THE SUBMISSION TO THE QUALIFIED ELECTORS A PROPOSED ORDINANCE ESTABLISHING A TRANSACTION AND USE (SALES) TAX OF THREE-QUARTERS PERCENT (.75%) FOR GENERAL PURPOSES, DIRECTING THE CITY ATTORNEY TO PREPARE AND FILE AN IMPARTIAL ANALYSIS OF THE MEASURE, AND AUTHORIZING, ESTABLISHING PRIORITY ORDER, AND SETTING DEADLINES FOR THE FILING OF ARGUMENTS IN THE OFFICE OF THE CITY CLERK FOR OR AGAINST THE MEASURE AT THE GENERAL MUNICIPAL ELECTION TO BE HELD TUESDAY, MARCH 3, 2020 AS CALLED BY RESOLUTION NO. 2019-18

WHEREAS, a General Municipal Election on Tuesday, March 3, 2020 has been called by Resolution No. 2019-18 adopted on September 26, 2019; and

WHEREAS, over the past ten (10) years the City of Cerritos has faced significant fiscal challenges brought about by the great economic recession, the dissolution of redevelopment within California, and the continued escalation of fixed and contractual operating expenses; and

WHEREAS, the City's ongoing budgetary challenges have limited the City's ability to address many necessary infrastructure maintenance needs and caused a significant backlog of maintenance requests that is estimated to require a minimum of \$60.1 million to comprehensively resolve; and

WHEREAS, in order to address ongoing budget shortfalls, the City has had to utilize and draw down General Fund reserves over the past ten (10) years; and

WHEREAS, the City Council of the City of Cerritos has held numerous public hearings regarding the City's budget and has spent considerable time reviewing potential options to reduce expenditures and generate additional revenue; and

WHEREAS, the City Council has identified the need for additional revenue to offset the continued escalation of expenditures, maintain the high quality of life enjoyed by Cerritos residents and businesses, provide funding for necessary and ongoing infrastructure maintenance, and restore reserve funds; and

WHEREAS, California Revenue and Taxation Code Sections 7251 *et seq.* and 7285.9 authorize the City to levy a general transactions and use (sales) tax, with all revenues deposited into the City's General Fund to be expended for governmental purposes as determined by the City Council; and

WHEREAS, Article 13C of the California Constitution and Section 7285.9 of the California Revenue and Taxation Code provide that no local government may impose, extend, or increase any general tax unless and until that tax is proposed by a two thirds (2/3) vote of the governing body and submitted to the electorate and approved by a majority vote at an election consolidated with a regularly scheduled general election for members of the governing body of the local government, except in cases of emergency declared by a unanimous vote of the governing body; and

WHEREAS, the City Council desires to submit to the voters of the City the question of whether to approve an Ordinance establishing a general transactions and use (sales) tax of three-quarters percent (0.75%). Said tax would generate an estimated \$11.4 million annually, which may be used for any and all governmental purposes of the City, which may include, but are not limited to, sheriff's and community safety services, public works infrastructure maintenance and repairs, and parks and recreation programming; and

WHEREAS, any revenue generated by the tax measure would be subject to the same stringent system of accountability already in place, including public audits and disclosures of all expenditures to ensure that all funds are properly spent; and

WHEREAS, all revenues generated by the tax measure will be utilized to fund the services and programs of the City, and cannot be taken by the State of California, or used for any other purpose.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CERRITOS DOES RESOLVE, DETERMINE, AND ORDER AS FOLLOWS:

3.06.010. Title and Applicable Territory.

This Ordinance shall be known as the Cerritos Transactions and Use Tax Ordinance. The City of Cerritos hereinafter shall be called "City." This Ordinance shall be applicable in the incorporated territory of the City.

3.06.020. Operative Date.

"Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this Ordinance by majority vote of the electorate on March 3, 2020.

3.06.030. Purpose.

This Ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 of the Revenue and Taxation Code, which authorizes the City to adopt this tax ordinance, which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California, insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.
- D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Ordinance.
- E. To provide transactions and use tax revenue to the City to be used for general purposes.

3.06.040. Contract with State.

Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this Ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and, in such a case, the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.06.050. Transactions Tax Rate.

For the privilege of selling tangible personal property at retail, a general transactions and use tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of three-quarters percent (0.75%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this Ordinance.

3.06.060. Place of Sale.

For the purposes of this Ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery

charges, when such charges are subject to the State sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.06.070. Use Tax Rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this Ordinance for storage, use or other consumption in said territory at the rate of three-quarters percent (0.75%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to State sales or use tax regardless of the place to which delivery is made.

3.06.080. Adoption of Provisions of State Law.

Except as otherwise provided in this Ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Ordinance as though fully set forth herein.

3.06.090. Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:
 1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California.
 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.
 3. In those sections including, but not necessarily limited to sections, referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
 - a. Provide an exemption from this transactions and use tax with respect to certain sales, storage, use, or other consumption of tangible personal property which would not otherwise be exempt from this transactions and use tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code; or

- b. Impose this transactions and use tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the said provision of that code.
 - 4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.
- B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

"A retailer engaged in business in the District" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

3.06.100. Permit Not Required.

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this Ordinance.

3.06.110. Exemptions and Exclusions.

- A. There shall be excluded from the measure of the transactions and use tax the amount of any sales or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any State-administered transactions or use tax.
- B. There are exempted from the computation of the amount of transactions tax the gross receipts from:
 - 1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.
 - 2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his/her agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:
 - a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a

declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his/her principal place of residence; and

- b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.
 3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this Ordinance.
 4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this Ordinance.
 5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- C. There are exempted from the use tax imposed by this Ordinance, the storage, use or other consumption in this City of tangible personal property:
1. The gross receipts from the sale of which have been subject to a transactions tax under any State-administered transactions and use tax ordinance.
 2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.
 3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this Ordinance.
 4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this Ordinance.
 5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.
 7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.
- D. Any person subject to use tax under this Ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.06.120. Amendments

All amendments subsequent to the effective date of this Ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this Ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this Ordinance. The City Council or the City's voters may amend this Ordinance to comply with applicable law or as may be otherwise necessary to further the Ordinance's stated purposes. However, as required by Article 13C of the California Constitution, no amendment to this Ordinance may increase the rate of the taxes authorized by this chapter unless such amendment is submitted to and approved by the voters.

3.06.130. Enjoining Collection Forbidden

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this Ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

3.06.140. Audit and Review

The proceeds of the tax imposed by this Ordinance, as well as the expenditure thereof, shall be audited annually by an independent accounting firm. The City Council shall discuss the results of such audit at a meeting of the City Council that is open to the public, and the report of such audit shall be posted on the City's website."

SECTION 2. SEVERABILITY. If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of this Ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.
